

# AMC

**WELCOME IN A  
WORLD OF  
KNOWLEDGE &  
EDUCATION**

HELLO!

## **IMPROVE YOUR ENGLISH**

Improve your English and enrich your vocabulary. The key words will open the doors of a new way to communicate. With the major AMC you will reach the level B2 in junior year and C1 in senior year. We absolutely think that English is essential to build a solid Academic record.

## **Work in team**

You will work with your classmates and make some exciting and enriching projects : debates , movie reviews, videos , posters ...

## **Current Affairs & History**

Discover a new world , a new culture .We have studied so many historical topics : Shakespeare, The groundbreaking discoveries of our century, the American higher education system.

## **GET OUT OF YOUR COMFORT ZONE**

Grow and push back your limits with incredible tasks , discuss and debate with your teacher and classmates .. We used new platforms to meet American citizens across the world and improve our pronunciation .
